<p>M&O: Quebec Presbytery</p> <p>Italian Church of the Redeemer</p>	<p>Minister fluent in the Italian Language (20 hours per week)</p> <p>Start:</p>	<p>Me Sabrina Di Stefano, Montreal & Ottawa Conference Personnel Minister (East) 225 50e Avenue, Montreal (Lachine), QC H8T 2T7 514-634-7015 (extension 23) vacancy4moconference@gmail.com</p>
<p>The ICR is seeking a half time Ordained / Diaconal Minister / Designated Lay Minister to lead a warm welcoming supportive family and community oriented congregation. Following a successful (15 years) pastoral relationship, from which the minister retired, the congregation is looking for a new minister who is energetic, kind and compassionate. Ideally, we would look for someone with a knowledge of Italian, and or a willingness to learn. And with the true will of hope and grace for our very unique needs, the love will transcend itself. The ability to engage the congregation and bring revitalization to our community. Due to our ethnic background, our diverse members are traditional in their ways, while we are very warm and welcoming especially when it comes to worship and family traditions e.g. wonderful pasta dinners. We are in a time of transition and we have come to realize that in order to grow, we need to stand true to our roots and expand and engage within the community to remain viable. We feel God is calling us to reach out and engage with the diverse neighbourhood around us. To apply for this position (or for more information, or to obtain a copy of the full JNAC report), please send a letter of interest/cover letter, resumé, statement of faith, copies of certificates showing completion Boundaries and Racial Justice workshops, and a current (within the past 6 months) Police Records Check – Vulnerable Sector to : vacancy4moconference@gmail.com</p>

<p>The congregation seeks a minister to lead worship twice a month, supplemented by lay leaders. In this scenario, an English speaking solo minister would be preferable. As English is not the first language of a large majority of the congregation, across all ethnic backgrounds (Filipino, Japanese Canadian, South Asian), a minister with excellent straightforward communication skills is highly valued. Further, someone who can communicate practical applications, who is energetic, warm, and engaging, would be very much appreciated. We also need, an individual who can resource, empower, and raise the abilities of lay leaders. Theologically, the congregation has transformed from a traditional conservative ministry to one that leans more towards and evangelical style. The focus of ministry is weekly Sunday service, the Sacraments, and an annual spiritual retreat. To apply for this position (or for more information, or to obtain a copy of the full JNAC report), please send a letter of interest/cover letter, resumé, statement of faith, copies of certificates showing completion Boundaries and Racial Justice workshops, and a current (within the past 6 months) Police Records Check – Vulnerable Sector to : vacancy4moconference@gmail.com</p>

<p>Though English is the first language of a large majority of our members, several members of the congregations come from other backgrounds (Filipino, Francophone). A Minister with excellent and straightforward communication skills would be highly valued. Furthermore, someone who could communicate practical applications (ex:"applications for today"), and is energetic, warn and engaging is required. As we move toward the future, leadership that understands the complexities of transitioning a congregation of the present to a point of envisioning a new and probably very different ministry will be needed. This includes where and how and even when we worship. To apply for this position (or for more information, or to obtain a copy of the full JNAC report), please send a letter of interest/cover letter, resumé, statement of faith, copies of certificates showing completion Boundaries and Racial Justice workshops, and a current (within the past 6 months) Police Records Check – Vulnerable Sector to : Me Sabrina Di Stefano, Montreal & Ottawa Conference Personnel Minister (East), 225 50e Avenue, Montreal (Lachine) QC H8T 2T7, 514-634-7015 (extension 23), vacancy4moconference@gmail.com</p>

<p>We are a small rural church, with a stable, very interesting, and young-thinking congregation, in one of the more picturesque areas of south eastern Ontario. We are looking for a minister that will grow with us, through the development of our youth programs and the upkeep of existing programs. Someone who has a thorough knowledge and understanding of the traditions of the United Church and open to change and experimentation with new programs, as we move forward. Williamstown is within commuting distance of Montreal and Ottawa, in an area that continues to grow and develop. Steeped in Celtic tradition, benefitting from the values of rural living, and community oriented, this is an idyllic pastoral charge, with a church that continues to play a role in the daily life of its members. The church has a large volunteer base and is very active in the community. To apply, please contact: Rev. Whit Strong, Synode Montreal & Ottawa Conference Personnel Minister (West), 6 Epworth Avenue, Nepean, ON K2G 2L5, (613) 224-5318 ext. 21, vacancy4moconference@gmail.com.</p>

<p>Our church deepens people's love of God through worship and outreach. Our worship service is traditional and we celebrate God's presence through inspiring music, prayer and teaching. We believe that Jesus is God's son, born of a virgin, crucified as payment for our sins and resurrected from the dead, sitting at God's right hand. This sacrifice of Jesus grants a believer eternal life after physical death. We engage in social activities that involve the neighbourhood, such as: catering funeral lunches, yearly strawberry socials and musical concerts. We donate to the local food bank and Salvation Army and we meet our M&S commitment. Our congregants are welcoming and nurturing and our churches have much to offer. We support each other in good times and bad by visiting in people's homes, emails, phone calls and cards. If someone is absent from worship for a few weeks, we inquire as to their well-being and react accordingly. Church members visit each other in the hospital or long-term care facility. The people on our Official Board and Committees are devoted to serving to the best of the ability. Both churches are located in the country and have limited facilities. Calvin Church is fully equipped with a hall suitable for Sunday school, meetings or social events, a kitchen and a bathroom. On the same property is a manse with an addition consisting of a fully equipped office. Althorpe Church is a bit farther from Perth and consists of a sanctuary only. We have the budget to make any necessary building repairs. Our churches are empowered by their small, yet generous congregations. Over the next year, we feel that God is calling us to enjoy inspiring worship, be active in pastoral care and have a positive presence in the community. Our active congregations are looking forward to welcoming the new minister to our faith family, and will appreciate all personal and spiritual gifts that this person has to offer. We welcome candidates who are ordained, diaconal, designated lay minister or student intern.</p>
